

## Press Release

**PARIS - May 10, 2019 - 5.45 pm CEST - STENTYS (FR0010949404 - STNT)**, a French group specialized in medical technologies for interventional cardiology, announces with great sadness and emotion that its Chief Executive Officer, Christophe Lottin, passed away today following a serious illness that had taken a dramatic turn very recently.

The thoughts of the management and employees of the STENTYS group are first and foremost with Christophe Lottin's wife, children and loved ones.

The STENTYS Board of Directors met today and decided that, until a successor to Christophe Lottin is appointed, the Group will be managed by Michel Darnaud, Chairman of the Board, who will give the Group his full support during this difficult period.

### Upcoming financial publications and events

- **General Shareholders' Meeting:** Thursday May 16, 2019 at 4 pm, 21 place de la Madeleine, 75008 Paris (or, if necessary, on the second call on Tuesday June 25, 2019)
- **Revenues for the second quarter of 2019:** Thursday July 11, 2019 (after market)

### About STENTYS

The STENTYS group develops and markets minimally-invasive cardiovascular solutions for the needs of interventional cardiology. Its extensive range of innovative products, including drug-eluting stents, coronary and drug-eluting balloons as well as cardiovascular accessories, is marketed in over 60 countries. Thanks to its flagship product, Xposition S, the self-apposing stent that adapts to vessels with variable diameters and enables the treatment of complex arterial disorders, and to its portfolio of balloons and accessories, STENTYS covers all coronary indications.
